Prescriptions Safety Glasses

The steps to obtain prescriptions safety glasses are outline below.

1. Go To:  https://www.uhs.wisc.edu/eoh/eyewear/
2. Complete the “application for safety eyewear” form found on the above website
3. Make an appointment at UHS and spec out your glasses - you must have a current, valid prescription from your doctor (department does not pay for eye exams)
4. Bring the form back to Chad Skemp (Chemistry Business Office) and he will complete the purchase with a dept. credit card
5. Questions, please contact Char Horsfall, Human Resources, Department of Chemistry, 608-262-5927, chorsfall@wisc.edu
