Analytical Chemist

Company: Aerotek

Skills Needed: B.S. in Chemistry, Biochemistry or Biology

Location: Madison, Wisconsin

Category: Scientific

Rate: $16.00-$16.80/hr

Job Type: Contract-to-hire

Scientific Description:
A growing Nutritional Chemistry company is looking for an Analytical Chemist to join their team.

As an Analytical Chemist, you will be doing the following:
• Analyze food and dietary supplements
• Run analytical instrumentation like HPLC and GC along with a variety of wet chemistry techniques
• Follow SOPs in a GLP environment
• Calibrate and maintain analytical equipment
• Assist in investigations surrounding customer returns due to quality issues
• Maintain records accurately
• Perform instrument maintenance, calibrations, quality control checks, solutions preparations and standardization.

Qualifications:
• Bachelors Degree in Chemistry, Biochemistry, Biology, Microbiology, Genetics or related field
• 0-1+ year of chemistry lab experience
• Any HPLC or wet chemistry experience is a plus!

How to apply: Please attach your resume in a Microsoft Word document to alicknox@aerotek.com
